April 14, 2020, 12:00 PM CST**

**1. Call to Order**

- 2. Roll Call:** Maya Rao, John Kwoka, Laura James, Carla Brown, Robert Mills, Gene Wasson, Anna Chappell, Pleas McNeel.

*(Quorum Present)*

**3. Approval of January 2020 Minutes**

Maya Rao made a motion to approve minutes for March 2020. John Kwoka seconded. All in favor.

**4. Treasurer's Report**

John Kwoka submitted an account balance of \$9,682.11. No Change.

**5. Committee Business**

- a. Social Media: Leah sent notice postponing Air Workshop (tabled until next month).
- b. Technical Committee: Nothing scheduled because of the COVID-19 situation.
- c. YP Chair: Evan will be back next month.
- d. Science Fair: All Science fairs were cancelled.
- e. Scholarship Committee: Laura James has only received one reference, no applications. We will just postpone awarding scholarships since we may lose money for Southern Section.

*Maya Rao made a motion to table the scholarships and award them in 2021. John Kwoka seconded. All in favor.*

- f. Membership: Amy provided the following update via email on current membership: see attached table.

**6. Other Business**

- a. Southern Section Conference 2020: Carla will send Gene the contract and letter sent to the Beau Rivage. Best thing would be to postpone the conference and host in 2021. Have Leah send out email blast that it is still on the books. Carla will compile a list of potential exhibitors so they can put it on their calendar (and maybe get feedback).
- b. Air Workshop: Postponed due to COVID-19 but hope to reschedule based on Butler Snow availability.

**7. Adjourn (Next meeting scheduled for noon on May 12, 2020)**
