| <i>Air Pollution Control / Air Quality</i> | <i>Material Recycling / Reuse</i> |
| <i>Environmental Management System</i> | <i>Environmental Improvement /Success Stories and case Studies</i> |
| <i>Energy Strategy and Policy</i> | <i>Energy of the Future / Solar, Wind, Hydrogen, Biofuels, etc.</i> |
| <i>Electrical Vehicles</i> | <i>Waste Minimization and Resources Conservation</i> |
| <i>Storage Batteries / Materials /Recycling</i> | <i>Environmental Justice / Environment Social Governance ESG</i> |
| <i>Water Issues / SPCC / Storm Water</i> | <i>Sustainability</i> |
| <i>Emerging Contaminants / PFOA/ PFOS</i> | <i>Global Environment Impact</i> |
| <i>Ethics</i> | <i>Safety</i> |

Who should attend?

- Industry environmental professionals
- Academics (researchers, students and teachers)
- Environmental consultants and contractors
- Federal, state and local government regulators / policy makers
- Environmental, community and conservation groups
- Equipment and environmental service vendors
- Young Professional

Why should I attend and present?

- Network with colleagues from around the region to share ideas and solutions to your environmental technical and regulatory issues
- Learn the most up-to-date information on a wide array of environmental topics, presented by experienced professionals
- Enhance your professional development by choosing from many technical presentations and regulatory updates including a keynote address by a regional environmental leader
- Earn professional development hours (PDHs) required for your professional registration

Speaker Information:

Name: _____

Organization: _____

Address: _____

City: _____ State: _____ ZIP: _____

Phone: _____ Email: _____

Please attach a title and a brief description of your presentation. Include a minimum of 3 sentences describing your presentation, but no more than one page in length. Individual presentations should be approximately 20 – 25 minutes in length, including time for questions and answers. Panel submissions are also encouraged. In addition, the conference committee may develop panels and/or combine speakers into sessions in order to optimize session content and provide exposure to a greater number of speakers.

Presentation summaries may be submitted by email to Richard Wales at RTWales2014@gmail.com. Please call Richard with questions at (760) 964-0872.

Please note that speakers are required to register for the conference and no subsidies are available. Speakers will receive either a free 1-day registration or a \$200 discount off a full-registration price. You will be notified as to whether your presentation has been received acceptance by August 26, 2022, and will receive a speaker discount code at this time. Registration for the conference is now open at <https://www.ss-awma.org/2022-annual-meeting.html>

Hotel reservations must be made through the DoubleTree no later than August 20th by going to <https://www.hilton.com/en/attend-my-event/chachdt-awm-be5a3523-4202-4bb0-992a-aa78ed76bbb8/>. Rooms are available for \$109 plus taxes
