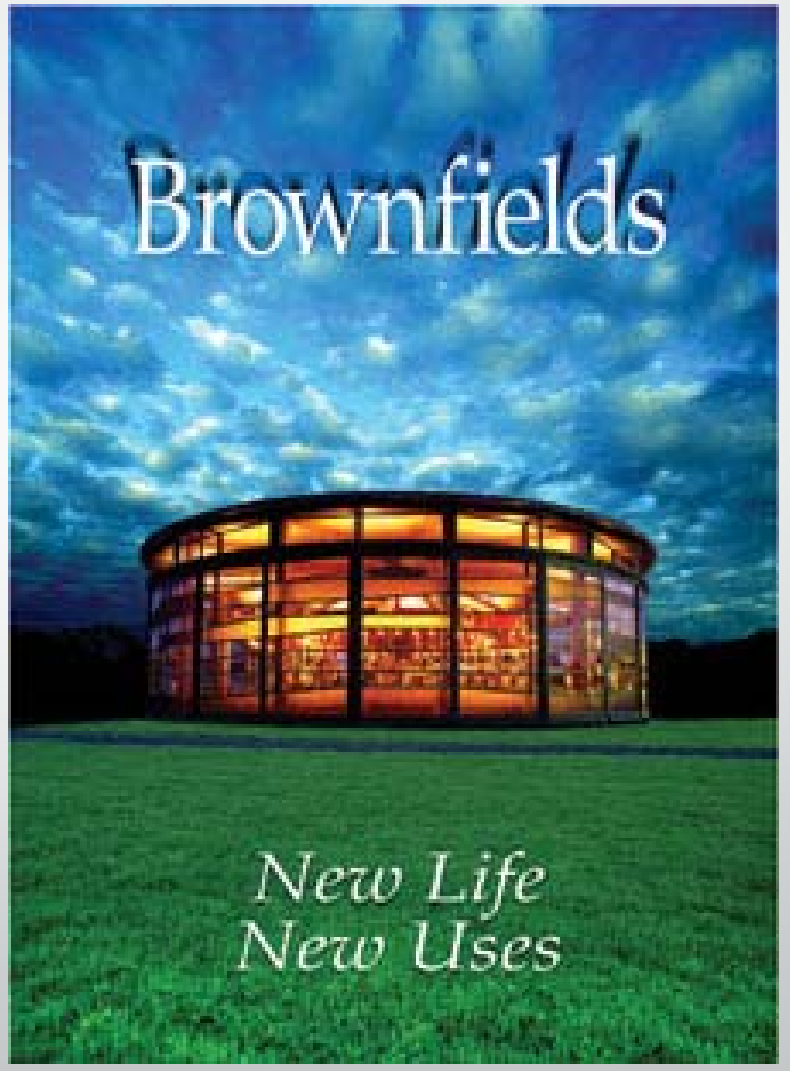
CERCLA Superfund Projects

Voluntary Evaluation Cleanup Projects

UST Projects

RCRA Projects

Uncontrolled Sites Projects



Priorities change throughout MDEQ

Narrow focus on clean-up to residential standards	→	Broader focus on clean-up based on re-use of the property
Complete removal of all contaminants	→	Reasonable removal of contaminants to remove risk to human health and the environment

Uncontrolled Sites, VEP, Brownfield

55 Uncontrolled Sites

234 Voluntary Evaluation Program Participants

Robert Huckaby, GARD II

VEP Contact
